Madison Homes'

legacy continues with REALtowns in Thornhill

JUST STEPS FROM Bathurst Street, north of Rutherford Road, Madison Homes will soon begin another exciting legacy in Thornhill, Vaughan. Madison Homes has had a presence in Thornhill since 2009 with Legacy and Thornhill Ravines Communities.

The neighbourhood has transitioned significantly since then, developing into a thriving, diverse and well-maintained community offering an incredible range of amenities for all lifestyles. This fall, Madison Homes

will release 79 contemporary-styled townhomes located at the corner of Lebovic Campus Drive and Ilan Ramon Boulevard called REALtowns – continuing Madison’s tradition of real value and innovation in new home design.

Madison’s REALtowns will offer spacious three- or four-bedroom floorplans on three levels plus a basement, ranging from 2,168 to 2,730 sq. ft. All townhomes will have a private backyard and a front-drive

garage. Madison Homes will offer alternate floorplans to add bedrooms, a home office, study or a casual, flexible space to relax and entertain. Interior features and finishes will include grand 10-ft. ceilings on the main floor, nine-ft. ceilings on ground and upper levels, oak hardwood flooring on main floor with oak stairs throughout and granite or silestone kitchen countertops. Spacious and functional living areas will be well appointed with refined finishes to be

selected at Madison Homes’ Design Studio. Be inspired by the wide selection of standard and upgrade options and customize your new home to reflect your personal style.

Whatever your family needs – educational, recreational, medical or spiritual – all can be found nearby. The impressive Joseph & Wolf Lebovic Community Campus, located directly to the east of this enclave, offers life-enhancing amenities such as a theatre/lecture hall, children’s education centre, cafe and food court, banquet place, arts discovery centre and a health and wellness centre. The Schwartz/Reisman Community Centre, a 100,000-sq.-ft.
